Part B: Nature of Summons and Background

Re: Summons to hearing prior to dismissal / termination of employment.

The employee has been summoned to this hearing in accordance with the law, in order to discuss the following matters:

Legal Notice: In accordance with Israeli labor laws, the purpose of the hearing is to allow the employee to present his/her version with an open heart and willing mind before a final decision is made regarding him/her. Relevant documents (such as complaint letters or performance reports) were presented to the employee before or during the hearing.

Part C: Course of the Hearing (Discussion Protocol)

1. Presentation of Employer's Claims

Detail of reasons for hearing (lateness, poor performance, complaints, etc.) and explanation of why dismissal is being considered:

2. Employee's Response (Right to be Heard)

Do you have anything to add or respond to these claims? (The employee's words should be written accurately)

3. Clarification Questions / Mutual Discussion

4. Employer's Summary

Summary notes before making a decision:

Part D: Decision and Conclusion (To be completed after the discussion)

After hearing the employee's arguments and carefully considering them, it has been decided:

☐ To continue the employee's employment (probation period/warning).

☐ To terminate the employee's employment (dismissal).
